COVID-19 Safety Plan & Protocols

Updates that affect our club members can be found online at <https://www.merrylandsasc.asn.au/news>. Please ensure you regularly check the club website for these updates as changes occur.

With the situation rapidly changing it is important that you remain aware of NSW Health guidelines and case locations. If you have attended any of the case locations listed on their website you must not attend club activities. Case locations are regularly updated and you should check the list before leaving home to attend a club activity.

Remember:

- Do not come to club activities if you are not feeling well;
- Maintain social distancing by spreading out in areas to sit (do not congregate in areas);
- Only timekeepers, officials & swimmers for the event to be swum should be in the marshalling area;
- Practice good hygiene by washing hands & using hand sanitiser regularly.

COVID-19 Contact Tracing

Check in processes have been updated and the swimming centre is now using the Service NSW QR code. This means all spectators entering the centre must check-in and out using the Service NSW app. By using this app spectators no longer need to sign-in using the club's QR code. Please ensure you sign-in and sign-out every time you attend the swimming centre.

To download the Service NSW app visit <https://www.nsw.gov.au/covid-19/being-covid-safe/check-in#download-the-service-nsw-app>
