Make a Donation

Our partnership with the Australian Sports Foundation allows supporters to make tax-deductible donations to the club.

The Committee this week decided to make a major equipment purchase, a set of Wylas Beamatouch packs. The devices allow our club to become self-sufficient with the use of the recently acquired touchpads from Swimming NSW.

This is a significant purchase by the club and demonstrates how donations made can assist in making these kind of equipment purchases.

If you would like to make a donation ,or know someone or a business who would like to then click on the link below.

Thankyou to everyone who has made a donation since this partnership commenced. We appreciate your kind support.

Giving Tree

As the holiday season approaches, let's come together to make this Christmas special for every child in our community. We are organising a Giving Tree to collect presents for disadvantaged kids who might not otherwise experience the magic of the season.

HOW YOU CAN HELP:

Donate New Toys or Gifts: Drop off new, unwrapped toys or gifts suitable for children of all ages.

Drop-off Locations:
Club Merrylands Bowling
Guildford Bowling Club

Deadline for Donations: Monday 9 December 2024

Every little bit helps, and your generosity will bring smiles to many faces this Christmas. Let's show the true spirit of our community by making sure no child is left without a gift to open.

Set Up & Pack Up on Saturday Mornings

There is a lot to do in set up and pack up on Saturday mornings – thank you to the members who have been arriving early and/or staying back to help.

These are some of the things that need to be done, with an emphasis commencing on time:-

Priority Items

- Shelter and side shade for the recorders on the lane 1 start side of the pool – lives in the clubroom near the side door.
- Plastic table and 4 (grey) chairs for the recorders. Table lives in the shed. Grey chairs from the club room.
- Wireless Router to be fitted to the time clock pole at the start end, plugged in and switched on.
- Starter podium and witches' hats (to remind people not to walk in front of the Starter and Referee) – lives in the shed, front left corner.
- Power cables for computers to be connected to same power point as Router on pole.
- Speaker etc for starting device – lives in plastic box on Starter's podium. Place speaker on lane 8 side securely next to pole of backstroke flags and roll cable along pool deck coping to lane 1 side. Cover exposed cable with cable guards (see below).
- Starting device tripod – lives in the clubroom near the side door (same place as shelter and side shade)
- Starting device – will be on charge in the clubroom on kitchen bench
- Cable guards (6 yellow) for the Recorders & speaker for the Starter – these live in the shed.

Important Items

- Stopwatches and clipboards – black case lives in the locker in the clubroom and needs to be set up on a folding table from the shed. Turn them on.
- 15m (false start) rope (in box with Starter's podium) and poles (in 'old club room'). You will need someone to show you how this works and you will be so proud of yourself when you master it!
- 25m rope (for 25m, 33m & 15m races). Lives in the shed in a wire trolley and needs to be rolled out along the end (preferably 50m end) of the pool.

Final items

- Block covers removed and put out of the way under the blue shelter.
- Chairs setup for Timekeepers at both ends of the pool. Chairs live in the shed and there is a trolley to move them.
- Presentation dais (only for Championship days) – lives in the clubroom under the trophy cabinet right side as you enter.
- Umbrellas if it is raining – found in a black plastic drum trolley in the Shed – good luck wheeling this one 😊 Including the beach umbrella for the Starter.

Pack up; return everything to the location it is stored and please be careful in handling cables and ropes so as not to tangle. Sometimes the blocks get a wash if we can find a working hose.

On rainy days, placement of the recording table and all associated equipment including router will be on the veranda of the Clubhouse. No need for shelter and tables.

Remember that timekeeper watches should not be turned on until after the Router is switched on
